# MAIN ACTIVITIES DIRECTION

Having proofed contacts with European donors, since 2014 our main directions were assisting medical institutions with expensive equipment and supporting the military and civilian population aid. After Russian full invasion on the territory of Ukraine in February 2022, military aid became our main focus.

**1**

## Military aid

Ammunition, equipment, tactical clothing, cars and other military needs

---

**2**

## Aid for medical institutions

Expensive medical equipment, medical beds, medicines, ambulances

---

**3**

## Humanitarian aid and educational institutions

Food, household chemicals, school desks, chairs, boards, clothes, shoes and more

---

# AID TO MEDICAL INSTITUTIONS

Assistance to medical institutions is one of the main direction of our activity. Having built up over the years, constant proofed partnership relations with many donors in Europe, we have been constantly receiving aid for medical institutions of Ukraine since 2014.

# HUMANITARIAN AID FOR CIVILIAN POPULATION

Since March 2022, together with the CF “Volunteering and Help Center”, we've organised the warehouse of 8,000 m<sup>2</sup>. The Volunteering and Help Center is our partner in the direction of distributing aid to the civilian population.

FOOD

**6,9 million kg**

HYGIENE PRODUCTS

**8,7 million pcs**

CLOTHES

**78999 bags**

# MILITARY AID

Since the beginning of the full-scale war in February 2022, assistance to the military has become a priority direction for us. In a partnership with Ukrainian businesses (TAS Group, Mitsubishi Ukraine and others) as well as foundations (Litterarum Cupidos), we were able to provide in a short term the necessary assistance to the Armed Forces of Ukraine.

800+	thermal optics and binoculars
600+	bulletproof vests
1500+	helmets
150	weather meters
